### **Report description:**

Cough, cold and allergy (hay fever) remedies received a strong sales boost in 2022 due to consumers returning to working in the office more frequently again and kids returning to in-school classes. This led to consumers spending more time among other people thus increasing risk of infection with cold and flu. With consumers rebuilding their immune system the incidence of cold and flu has not been at such elevated levels in 2023 and thus demand for cough, cold and allergy (hay fever) remedies has...
