### **Report description:**

Retail volume and current value sales of in-car entertainment continued to decline in 2023 due to multiple factors. Firstly, new car models are increasingly coming pre-equipped with the latest technology and components such as built-in navigation systems, reverse cameras, media players and speakers, thereby negatively impacting the aftersales category. While sales of aftermarket car products like wheels, oils and fluids will remain significant, consumers are opting for in-car entertainment systems...
