Report description:

In 2023, portable players in India saw positive retail volume and current value growth, driven solely by the sale of wireless speakers. The vast majority of sales in portable players can be attributed to wireless speakers, which are witnessing growing interest due to technological advancements, new entrants and changes in consumer lifestyles. For instance, in 2023 the US-based brand Tivoli Audio and the Swedish brand Audio Pro, both launched in India, with various products in the home audio and...

Euromonitor International's Portable Players in India report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level.
