Report description:

Wound care tends to show high demand during the summer when more skin is exposed and opportunities for outdoor leisure and sports activities increase, with this increasing the risk of picking up injuries. Sales of wound care therefore benefited in 2023 from the lifting of restrictions on social activities and more opportunities for consumers to go out and take part in sport and leisure pursuits. Nichiban is ranked second in wound care in 2023 with it marketing the Care Leave brand of sticking pl...
