### **Report description:**

Apparel and footwear continued to grow in both value and volume terms in 2023 despite a difficult economic context. Romanians are notably preoccupied with their personal image, and they display a high level of brand loyalty and are attracted to big names. Even though the rate of inflation remained high in 2023, consumption did not plunge as consumers preferred to turn to solutions such as buy now, pay later options or buying in several instalments than not making purchases at all. While unit pri...
