Report description:

Sports nutrition is a rapidly evolving category in the consumer health industry in India, and is set to see a double-digit growth rate in 2023, owing to the increasing health and wellness trend. There is growing awareness of the importance of a healthy lifestyle and physical fitness in India. The health and wellness trend is driving consumers to seek products to help them achieve their fitness goals. Sports nutrition products are seen as a way to complement a healthy lifestyle and maintain overa...
