Report description:

In 2023, sportswear continues to post healthy growth, boosted by the full lifting of the mask mandate and consumers' increasing participation in sports and outdoor activities. Some players stated that their manufacturing facilities struggled to keep up with demand in 2022, and expect such unmet needs to continue to help boost sportswear sales throughout 2023. In particular, outdoor apparel remains a dynamic performer, as the definition of "outdoor sports" expanded throughout the pandemic period...
