### **Report description:**

There has been a decline in the number of high net worth individuals (HNWI) in Hong Kong since 2020. In response, charge card operators such as American Express and Diners Club are determined to customise their latest offers to better cater for this shrinking client base. Following the reopening of borders, there has been a surge in revenge travel, leading to a significant shift in the spending patterns of affluent individuals. A substantial portion of their expenditure is now directed towards t...
