Report description:

Since the reopening of borders in the fourth quarter of 2022, there has been a significant increase in the desire of Hong Kong residents to travel abroad, following three years of pandemic-induced restrictions. Throughout 2023, there has been a sustained and robust momentum among locals to shift their spending habits from day-to-day expenses in Hong Kong to allocating a larger portion of their budgets for outbound travel. According to Euromonitor International's Travel System 2024 edition, Hong...
