- Multiple User License (Global) €2475.00

### **Report description:**

Japan currently does not have any law restrictions surrounding Buy Now Pay Later (BNPL) and thus the benefits, such as convenience, flexibility, and especially no credit checks, are gradually being understood by a wider consumer base. These benefits are particularly popular with younger generations of consumers, who perceive BNPL as a convenient payment method as most service providers require little information to proceed to payment. Younger generations in Japan tend to have a lower possession...

Euromonitor International's Consumer Credit in Japan report establishes the size and structure of the market for ATMs cards, smart cards, credit cards, debit cards, charge cards, pre-paid cards and store cards. It looks at key players in the market (issuers and operators), number of cards in circulation, numbers transactions and value of transactions.
