- Multiple User License (Global) €5250.00

Report description:

The consumer lending landscape in Mexico is expected to continue to display growth in both gross lending and the outstanding balance in 2023. 2023 is proving to be particularly favourable for the growth and expansion of fintech companies, which extend credit to consumers without a credit history and without imposing additional restrictive requirements, especially within the context of above-average inflation. Mexican households are leveraging various means to stretch and optimise their incomes,...

Euromonitor International's Consumer Lending in Mexico report establishes the size and structure of the market for ATMs cards, smart cards, credit cards, debit cards, charge cards, pre-paid cards and store cards. It looks at key players in the market (issuers and operators), number of cards in circulation, numbers transactions and value of transactions. It offers strategic analysis of sector forecasts and trends to watch.
