Report description:

Gross consumer lending is expected to register growth in 2023, but with inflation continuing to be very high, it will not go far in terms of consumer spending. A new government has implemented some difficult decisions in order to stabilise the economy, including ending a decades-old petrol subsidy that has seen prices triple and has also ended restrictions on foreign exchange, which has significantly weakened the naira. In addition, to stem inflation, there has been some increases in interest ra...
