### **Report description:**

Edible oils in Denmark saw record unit price increases in 2022 and at the beginning of 2023, along with significant declines in volume sales. This is the result of supply shortages due to the war in Ukraine. Olive oil has seen high price increases thanks to a severe drought and record-high temperatures in Spain, alongside a pause in Turkish olive oil exports. These factors have led to a decline in olive oil production, especially in Spain - the world's largest producer and exporter of olive oil...
