Report description:

Ready meals has been experiencing price increases across the board over the past year, due to the increased costs for manufacturers in the light of global inflationary pressures, and with socio-political unrest leading to supply chain issues. On the consumers' side, the same pressures are affecting spending power and, thus, consumers are seeking more affordable options. Added to which, ready meals are a "nice-to-have" convenience, as opposed to a necessity, whereby consumers are able to cook for...
