### **Report description:**

Processed meat, seafood and alternatives to meat reported slightly negative volume growth in 2023, due to the decline in demand for chilled processed red meat and frozen processed red meat and seafood, which are mainly sold in bulk over the counter. On the other hand, value sales remained robust due to inflation and further price increases at the beginning of the year. Chilled processed meat makes up most of the overall category sales in retail volume terms and so it has a strong influence on ca...
