Report description:

Current value sales growth within sweet spreads remains strong in 2023 with broader inflationary pressures a key contributor to this. While fuel costs have stabilised following the initial shock in 2022 after Russia's invasion of Ukraine, the government's temporary removal of excise duty on petrol ended in July with these increased costs being passed on to consumers. In addition, flooding and extreme weather events in early 2023 across New Zealand placed considerable pressure on the country's in...
