### **Report description:**

In 2023, other hot drinks is expected to post a flat performance in retail volume terms. With inflation falling, there has been a slight decrease in unit price growth compared to 2022. Overall, there were no other significant changes in the category with demand remaining quite stable for the main product, chocolate-based flavoured powder drinks. Children and youngsters have a keen interest in flavoured powder drinks, which are purchased by their parents to treat and pamper them. Demand for these...
