### **Report description:**

In 2023, demand for vacuum cleaners in Singapore remains stable, supported by significant technological advancements and a greater focus on hygiene since the pandemic. However, consumers' priorities are shifting. With COVID-19 spreading widely in 2020, households faced challenges in managing household chores without foreign domestic help. The Ministry of Manpower introduced procedures for the re-entry of foreign domestic workers into the country, which included stay-at-home notices, COVID-19 tes...
