### **Report description:**

Dried pasta and rice remain two of the most important staple sources of starchy carbohydrates for much of the population of Uzbekistan. Rice in particular is a key category of staple foods and it is the key component of the country's most famous and most consumed dish: pilaf. Dried pasta meanwhile is widely valued as a quick and affordable option for preparing a wide range of dishes and it is used on almost a daily basis in many homes. As a result, both rice and pasta continued to register posit...
