Report description:

Despite showing competition to concentrates, RTD tea is also facing competition from other soft drinks categories, notably energy drinks for example. Added to which, RTD tea has seen steep price increases, thus placing further downwards pressure on the category in light of consumers' price-sensitivity. We also note that, following several years of strong growth, the healthy/refreshing positioning, boosted by RTD tea, seems to have become less relevant, in favour of the energy/strengthening claim...
