Report description:

Bottled water maintained its status as the fastest-growing soft drink in Nigeria throughout 2023. The persistent challenges in accessing safe drinking water, compounded by unreliable electricity supply, especially in the country's hot climate, continued to drive its robust performance. Over half of the population opted for packaged water, particularly pouch and sachet varieties, on a daily basis. Energy drinks also exhibited notable growth in volume sales during the year, owing to the belief amo...
