### **Report description:**

Built-in dishwashers benefited from the increasing need for convenient appliances in households, especially for consumers with new kitchen builds that want new appliances to integrate. Built-in dishwashers are increasingly selected over freestanding models due to these aligning with design trends and consumers wanting more space within their kitchen. Further driving sales of these products in 2023 was the increase in promotion and product availability of built-in dishwashers. At the same time, t...
