### **Report description:**

100% juice was the most dynamic of the main juice categories in Taiwan in off-trade volume growth terms in 2023. This was primarily due to the increasing preference for healthier soft drinks among consumers, as such products are perceived to be naturally rich in vitamins, minerals and other essential nutrients. New launches also had a positive influence on the category's performance. For example, BABI International Corp introduced Tree Top Apple, while Wei Chuan expanded its popular Daily C rang...
