### **Report description:**

With tap water being undrinkable in Thailand, bottled water is cheap and widely available throughout the country. During 2023, the category saw dynamic growth in off-trade volume terms as an increasingly health conscious population reduced their intake of sweetened drinks, such as regular carbonates, consumption of which is associated with a number of health conditions, including type 2 diabetes and obesity. This behaviour favoured sales of bottled water, which has no sugar or calories, and henc...
