### **Report description:**

Large cooking appliances in Canada, covering various categories such as cooker hoods, built-in hobs, ovens, and cookers, continued to witness weakened demand in 2023, following a decline observed in the previous year. Economic uncertainties drove consumers to postpone purchases of big-ticket items like large cooking appliances. While these appliances experienced a strong surge in sales during the earlier stages of the pandemic, this trend underwent a correction, contributing to negative volume s...
