- Multiple User License (Global) €2475.00

Report description:

In spite of rising prices, other hot drinks, and in particular chocolate-based flavoured powder drinks, registered double-digit constant value and volume growth. Continuing population growth partly supported the increased sales. In addition, as carbonates are banned in schools, chocolate-based flavoured powder drinks continued to be a popular choice for school lunches.

Euromonitor International's Other Hot Drinks in Pakistan report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth.
