Report description:

Off-trade volume sales recorded double-digit growth in 2022, however, much of this is due to the product growing from a small base. As such, actual product sales and values remain low, with ongoing potential for growth.

Euromonitor International's RTD Coffee in Latvia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2019-2023), allowing you to identify the sectors driving growth.
