Report description:

The picture was bleak for soft drinks in Pakistan in 2023, with retail volume sales falling across the board, with the exception of bottled water and concentrates. That being said, overall retail volume sales increased slightly, due to bottled water being the most popular soft drink. Pakistan's economy continued to struggle and the government secured a further USD3 billion bailout from the IMF in July 2023, avoiding an impending default. Inflation continued to be very high and was being driven b...
