## Key Highlights

National Mortgage Insurance Corporation a North American company, headquartered in Emeryville, California, United States, operates as a private mortgage insurance company that provides risk mitigation solutions for mortgage lenders and investors. Founded in 2012, National Mortgage Insurance Corporation offers an extensive suite of products and services to enable lenders to originate and service mortgages for borrowers with lower down payments. Offerings include various mortgage insurance products such as conventional policies for loans with less than 20% down, FHA insurance for 3.5% down loans, and VA insurance for no down payment loans. To assist lenders, National MI also provides services including underwriting to assess borrower credit risk, claims processing to settle defaults, and risk management tools to optimize mortgage portfolio performance. This comprehensive range of mortgage insurance and enabling services allows lenders to profitably expand access to homeownership while prudently managing risk.
