### **Report description:**

The Czech Republic has a high acceptance of cannabis due to the long-standing tradition of cannabis cultivation and usage in the country. Cannabis legislation has been an issue since the 1990s, when there was an early attempt at legalisation. As it stands in 2023, medical cannabis is legal and is a growing industry thanks to active interest on the part of government and patients. CBD products are also legal and growing at a pace, due to wide availability via online retailers, pharmacies and drug...
