Report description:

In 2023, growth of personal accessories in the United Arab Emirates remains substantial, although the performance of the industry is uneven; with luxury brands outpacing their mass counterparts. In fact, across all personal accessories categories, with the exception of writing instruments, luxury brands have been outperforming the industry in both 2022 and 2023. One of the reasons for this two-tier spending pattern is that consumers who can afford to do so tend to choose luxury goods (such as je...
