Report description:

For butter and spreads thin wall plastic containers and flexible aluminium/paper were the most prominent pack types in 2022. Flexible aluminium/paper is popular for helping to prevent undesired outside contaminants, smells or odours penetrating the butter or spread, thereby preserving its taste and texture. Top French brands such as President Beurre or Elle & Vire as well as Leclerc's private label mainly use flexible aluminium/paper for packaging their butter and spreads as it is waterproof and...

Euromonitor International's Dairy Packaging in France report offers insight into key trends and developments driving packaging across the category.
