Report description:

In spite of having recorded strong growth in 2020 and an even more dynamic performance in 2021, automatic dishwashing tablets continued to see increasing packaging unit volumes in 2022, primarily due to the convenience they offer to consumers. Plastic pouches are an important pack type for packaging dishwashing tablets in Australia since individual packaging in a plastic pouch ensures less mess and takes up less shelf space. Along with its flexible packaging bedfellow, flexible plastic, plastic...
