### **Report description:**

The retail packaging unit volumes of floor cleaners recorded positive growth in 2022. This can be attributed not only to the fact that Indonesians are prioritising cleanliness and maintaining a tidy living environment, but also to the increased time spent at home due to the pandemic restrictions. In terms of pack types, plastic pouches continued to eat into the share of flexible plastic in 2022. This is because, when compared to flexible plastic, plastic pouches are more sustainable and cheaper...
