### **Report description:**

Bottled water is the largest category in soft drinks in Hong Kong, but its sales declined slightly in 2022 as consumers focused on functional drinks that provide health benefits, seeing falling unit volumes of still bottled water, the dominant category in bottled water. As a consequence, the packaging unit volumes of PET bottles, the dominant pack type for bottled water, also declined. Nonetheless, carbonated and functional bottled water were performing better, with the latter able to offer func...
