Report description:

In the retail channel's packaging unit volumes of alcoholic drinks in Italy, metal beverage cans were becoming more popular during the review period, albeit with the exception of 2022, with this pack type expected to also continue gaining share over the forecast period. This is because metal beverage cans offer portability and convenience for RTDs, for example. They are lightweight and easy to carry, making them ideal for on-the-go consumption. Cans are easily stackable, making them convenient f...
