Report description:

The popularity of cheese continues to increase in Turkey. This trend can be attributed to the fact that cheese is a versatile ingredient that is used in a variety of Turkish dishes, such as savoury pastries, borek, pide, salads etc. In addition, meze (appetizers) are an essential part of Turkish cuisine. These dishes include cheese, which is typically paired with bread and herbs. Heightened demand for cheese in 2022 benefited the packaging unit volumes of its main pack types, thin wall plastic c...
