Report description:

Having once been the main pack type for soft drinks in the foodservice channel in Italy, still often associated with high-quality and premium products, glass bottles lost this title to PET bottles. After sharing the industry-wide slump in sales in 2020 when the pandemic first hit the country, glass bottles have been enjoying a resurgence among manufacturers in 2021 and 2022. In addition to the general recovery in the foodservice channel, there has also been a growing trend towards more sustainab...

Euromonitor International's Soft Drinks Packaging in Italy report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.
