### **Report description:**

In 2023, self-service cafeterias in Chile maintained a niche presence within consumer foodservice, holding marginal share overall. The channel's main attraction is allowing patrons to choose from diverse options and customise portion sizes. Unlike other foodservice channels that have seamlessly embraced home delivery, self-service cafeterias face a unique challenge due to the inherent contradiction with a hands-on, experiential nature. While the surge in home delivery sustained elevated sales fo...
