Report description:

Hand dishwashing continued to dominate sales of dishwashing in Saudi Arabia at the end of the review period. The diversity of hand dishwashing products available in the local market in terms of prices, fragrances, and the assortment of brands on offer is substantial and continues to escalate each year. Aside from the diverse range of scents, there is also a growing number of products with dermatological and antibacterial properties, while there has also been a sizeable increase in the availability...

Euromonitor International's Dishwashing in Saudi Arabia market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth.
