Report description:

Private label saw robust growth within dishwashing in the Netherlands in 2023, driving overall growth and outperforming branded alternatives, and rising fastest in automatic dishwashing. Rapid expansion within this particular segment was the result of several factors: Private label has a smaller market share in automatic dishwashing than it does elsewhere, offering more room for growth; compared to hand dishwashing, the price difference per wash for private label products and branded alternative...

Euromonitor International's Dishwashing in Netherlands market report offers a comprehensive guide to the size and shape of the market at a national level.
