### **Report description:**

In 2023, home care in Jordan has experienced growth in both current value and volume sales, primarily attributed to the surge in on-trade sales rather than retail transactions. Notably, retail home care product prices have witnessed a slight decline, leading to an increase in volume sales compared to current value. This trend reflects a dynamic market landscape where consumer preferences for on-trade purchases have influenced overall dynamics.

Euromonitor International's Home Care in Jordan market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts to 2028 illustrate how the market is set to change.
