Report description:

Despite rising price points in 2023, leading to double-digit retail value growth, retail volume sales remained positive in home insecticides, with all areas, bar insectile coils, recording volume growth. Spray/aerosol and electric home insecticides were increasing in retail volume, benefiting from being viewed as highly convenient, while there is a wide range of products available. In addition, many consumers prefer to purchase these products in advance and have them ready in their household whe...
