- Multiple User License (Global) €2475.00

### **Report description:**

Limited-service restaurants performed better than many other foodservice channels following the outbreak of COVID-19. The category benefited from players adapting to COVID-19 restrictions by offering takeaway and delivery services to help keep customers happy. Many players in limited-service restaurants also collaborated with third party delivery platforms to increase value sales, with meals offered from limited-service restaurants tending to be more suitable for takeaway - making it easier to o...

Euromonitor International's Limited-Service Restaurants in Denmark report offers a comprehensive guide to the size and shape of the market at a national level. It provides foodservice sales, the number of outlets and the number of transactions by sector, allowing you to identify the foodservice sectors driving growth.
