- Multiple User License (Global) €2475.00

Report description:

Consistent with observations across home care, polishes in Denmark witnessed strong increases in retail current unit prices towards the end of the review period, including 2023. Still relatively high inflation amid higher input costs (energy, materials, labour, shipping, etc), resulted in manufacturers and retailers increasing retail selling prices for polishes. Rising prices of products heightened household price-sensitivity and, as in other home care categories, fostered a channel shift to dis...

Euromonitor International's Polishes in Denmark market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth.
