### **Report description:**

In the post-pandemic era, the need to disinfect surfaces at home has subsided considerably, in line with lower fears over the spread of COVID-19. Retail volume sales of home care disinfectants contracted in 2022, followed by moderate growth in 2023, although overall volumes are still well above pre-pandemic levels. The inflationary climate has also impacted demand for home care disinfectants, with consumers switching to cheaper alternatives such as bleach, which usually have significantly lower...
