Report description:

Just like retail as a whole, direct selling saw significant growth in value sales in 2023, but it was entirely price-driven as inflation remained at unusually high levels for a second consecutive year. Given the focus of direct selling in Austria on non-grocery categories, 2023 growth was almost exactly on the level of that of non-grocery retailers. Consumers reined in their spending in view of the sharp rise in the cost of living since mid-2022. Moreover, demand was notably down in direct selli...
