### **Report description:**

Home products specialists in the Philippines saw relatively modest growth in current value terms in 2023, compared to the previous year. This was due to persisting inflationary pressures, which placed a strain on household budgets. With many consumers remaining pessimistic about the country's economic situation, they were reluctant to spend money on non-essential goods. Within this context, incumbent players, such as Ace Hardware, Handyman, and Wilcon, also offered various in-store promotions in...
