- Multiple User License (Global) €2475.00

Report description:

Adult incontinence saw steady growth in both volume and value sales in 2023. The continued ageing of the population in Hong Kong provides a solid customer base for this category, for both retail and AFH adult incontinence products. According to Hong Kong Census and Statistics Department, the population aged 65+ years grew significantly in 2023, and accounted for 22% of the total population of Hong Kong.

Euromonitor International's Retail Adult Incontinence in Hong Kong, China report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, distribution or pricing issues.
