### **Report description:**

Inflation was still an issue in 2023 for small local grocers in Bulgaria, though growth eased. As such, though current value sales rose, constant value sales fell, as continuing rising costs cut profit margins. There was also minimal openings of new outlets.

Euromonitor International's Small Local Grocers in Bulgaria report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
